ACKNOWLEDGMENT

The researchers would like to express their heartfelt gratitude and appreciation to all those who contributed to the successful completion of this Business Process Automation Plan (BPA-285), entitled "Gonzaga Dental Clinic Management Automation System (GDCMAS): A Business Process Automation Plan for Streamlining Patient Records, Appointment Scheduling, and Dental Clinic Operations at Gonzaga Dental Clinic".

First and foremost, the researchers would like to thank God Almighty for His endless blessings, guidance, strength, and wisdom throughout the duration of this study. Without His grace, this work would not have been possible.

The researchers extend their sincere gratitude to Mr. Marlo Kyn B. Bunda, our BAM-285 Project Lead, for his valuable guidance, patience, encouragement, and constructive feedback throughout the development of this project.

Deep appreciation is also extended to Dean Seth D. Nono, MSCS, and the Panel Members for their time, effort, and valuable insights during the review and evaluation of this paper.

The researchers would also like to thank the staff of Gonzaga Dental Clinic for their cooperation and valuable inputs during the data gathering process.

To our families and friends, thank you for the unwavering support, encouragement, prayers, and understanding throughout this academic journey.

Lastly, the researchers would like to thank each other for the teamwork, dedication, collaboration, and perseverance that made the completion of this project a reality.

The Researchers
